Straight-pull RIFLE JK B24

"Speedy"

Introducing the new **JK B24** rifle, which combines **accuracy**, **versatility** and **Czech quality**.

With a **straight-pull bolt** and a **5-round magazine**, this weapon is the ideal choice for every shooter. We offer **two barrel lengths**, with the option of choosing a variant **with or without sights**, and each model is equipped with a **thread for a silencer**.

Thanks to the **11mm dovetail**, you can easily attach a Weaver rail and a rifle scope according to your needs.

With a **fully adjustable trigger**, the JK B24 will give you perfect control over every shot.

Discover a new level of shooting with the **JK B24** rifle!
